

"Thank you Paul and Flora, it is simply exceptional"

Brackenborough Hall Farm is an 800 acre mixed farm set on the Deserted Medieval Village of Brackenborough. Visitors can watch the harvesting in summer and calving in winter.

Tawny owls can often be heard and badgers seen in summer. We have created a nature trail in the nearby paddock. There are farm walks immediately outside.

Guests are welcome to explore the garden to Brackenborough Hall with its flowers, vegetables and fruits.

A gas barbecue and outdoor seating is provided.

Children enjoy the safe play area. There are trees to climb, rope swings and a football goal.

Cots and highchairs are provided free of charge.

There is wireless internet in all apartments.

"Paul and Flora - you are warm and welcoming and none of us could have asked for more. We have all been blown away by this place and will be returning."

Louth, Britain's favourite market town, provides exceptional local food and drink. There is a market three times a week, and farmers' markets twice a month. Try Lincolnshire plum bread, local cheeses, beers, stuffed chine and the famous sausages.

Louth parish church is worth a visit. The tower can be climbed for views of the Lincolnshire Wolds and coast - the seaside is 25 minutes away. Lincoln is a popular day out with its castle and cathedral.
